PROTECT YOUR MONEY

SAVE

Deposit your money in banks, use it to buy insurance products or place it in investment products such as government securities.

HERE ARE SOME TIPS

1 DEPOSIT IN BANKS

- Only banks are allowed by law to accept deposits from the public
- Bank deposits are insured up to P500,000 per depositor, per bank

2 KNOW YOUR BANK

- Make sure it is licensed by the BSP
 - Transact directly with authorized bank employees
- 

3 GROW

- Let your deposits grow with interest
 - However, don't be blinded by high interest rates on deposits
- 

5 EARN

- Earn from your investment
- Be aware that you may also incur losses on your investment

6 UNDERSTAND

- Understand the product and the risks involved
 - Understand your policy or pre-need contract
 - Only deposits with member-banks are covered by the PDIC
- 
- 

4 INVEST

- Choose an investment or insurance product that suits your needs
- Invest only in government securities and/or products registered with SEC, approved by the Insurance Commission (IC) or authorized by the BSP
