

GAD VISION

Empowered men and women equally contributing to and benefitting from financial inclusion through financial literacy and depositor

GAD MISSION

To promote and provide equal rights, opportunities, and participation among men and women in the prompt settlement of deposit insurance claims, expeditious liquidation of closed banks, and effective mitigation of risks to the depositing public.

GAD GOALS

- Equal access of women and men to PDIC services related to deposit insurance, liquidation and programs including financial literacy.
- Gender equality and women empowerment perspective institutionalized in PDIC policies, systems and processes, programs, activities and projects.
- Gender-responsive women and men of PDIC
